Description	The artist is depicted with his partner, Brigitte von Niederhäusern, to whom the painting is dedicated, and their child. The composition is inspired by Johann Friedrich August Tischbein's family portrait in which the two daughters carry the young son to the father sitting at the easel (1799; Leipzig, Museum der bildenden Künste).
Provenance	The digitisation of the inventory of the Kunsthau is an ongoing work in progress. Due to the time-consuming nature of comprehensive scientific research on each individual artwork, we have decided to disclose some works also without provenance information to the public. The progression of provenance research will be continuously updated online. If you have any questions or comments, please contact us at
